

Data Protection Declaration for Participants at “19th IAEE European Conference in Munich, Germany”

Data protection and ensuring data protection are important concerns for the is German Association for Energy Economics (GEE e.V.) (hereinafter Organizer). The processing of personal data occurs with strict respect for the principles and requirements set forth in GDPR (General Data Protection Regulation). The Organizer only processes the data required for the purposes intended and endeavours at all times to guarantee the security and correctness of the data.

Office responsible

German Association for Energy Economics (GEE e.V.)

Data protection officer

Prof. Dr. Michael Bucksteeg

Deputy Chairman of the Board
Open University in Hagen

The following data are processed in this data processing

- Name
- Institution
- Telephone
- Email
- Address
- VAT
- Special food requirements
- Purchased products including conference ticket
- Conference fee related documents (student ID)
- Contribution data including co-authors
- User agent (browser)
- IP address (for security reasons)

The data are collected directly from you except IP address and User agent, which is collected automatically during Account Registration.

Legal basis for the data processing

This use of personal data is based on article 6, paragraph 1, letters c) (legal obligation) and e) (performance of a task in the public interest) GDPR.

Category of recipients of the personal data

Your personal data are forwarded on the basis of statutory regulations or rather contractual agreement to the recipients who are directly involved in the event procedure and if the organizational procedure requires this.

Purpose of the data processing

We collect your personal data for processing and transmission of data for the organization and management of the 19th IAEE European Conference.

Advertising of the event with personal data

Personal data of selected persons such as lecturers and participants in a panel discussion (name, employer, and photograph) are published for the purpose of advertising the event.

Data processing for purposes of submission of abstracts

Submission of your academic work for the event in question is not possible without collecting, storing and processing personal data. This occurs exclusively for the purpose of organizing and conducting the event. Your data are only passed on to third parties directly involved in the event organization procedure and only if the procedure makes this necessary (e.g. Academic committee organizing society, reviewer, and publisher). The conference program including the title of the paper and the names of the authors is also available online for non-participants on the conference website.

Data processing for purposes of management and security of the system

Due to applicable statutory data security regulations, several items of your data are processed for management and security of the system, including for user code management, allocation of hardware and software to system users as well as for the security of the system. This includes text documents generated and stored with automated support (such as correspondence) in these matters.

Integration of iframes on the website

For a better orientation Google maps iframes were integrated into the website. It should be noted here that loading these iframes may also send personal data to Google, which is outside our control. We do not store any data in this respect.

Images and videos

In the context of the event, images and videos are produced for which we need your consent. They are used for marketing purposes (event reports, advertising of subsequent events and self-marketing) and for documentation purposes. If you do not agree with the use of these images, you can contact us at any time at support@iaee.org

Transmittal to third parties

No third-party firms work outside the EU.

Retention period for storage

We store your data for the purpose of conducting the event and beyond that for the duration of statutory retention periods or as long as legal claims can be asserted against the organizers or rather as long as consent was given.

Your rights in connection with personal data

As a concerned party in this data processing you have the following rights in relation to GEE:

- Right to information
- Right to correction
- Right to deletion
- Right to restriction of processing
- Right to data portability
- Right to object

Right to revocation under article 7 GDPR

Depending on your “person category” we ask you for various different consent declarations. They are retrieved inside online registration or directly from the relevant person, group coordinator or company representative. Every concerned person has the right to revoke in writing or by email to support@iaee.org at any time the consent once given. Revocation of the consent declaration does not affect the legality of the processing accomplished prior to the revocation.

Right to appeal

If you feel that the processing of your data violates data protection law or your data protection law claims in any other way, you can file appeal with the Data Protection Authority.
